**The following testimonials have been received for the one-hour coaching session with The Option Professor, CALL 702-873-8038 to get started.**

---

*"In a world of countless analysts, Option Professor stands out. His sense of perspective on all markets and sectors elucidates the big picture, as well as the shorter term. His observations have been remarkably prescient. He is a true, selfless teacher, being highly accessible and incredibly generous with his time. I regret that I did not find this class-act earlier."*

*-Dr. George Fee*

---

*I think the 1 hour meeting was great, it was informative and I think it would help those that are interested in a system*

*that is relative easy to follow and enable one to make money on small swings in the market using options.*

*Thank You,  
Randy B.*

---

*Get to know option professor on one of online webinar as a speaker, and was impressed by his concise way explaining of market movement. During educational hour with him got clear understanding how to use different MA and RSI, as a main tools to catch a movement in right direction. Definitely recommend to receive education from him*

*Oleg B.*

**OptionProfessor Alert:  
10/25/23 - Stocks-Hit on MSFT & GOOGL-Rebound??**

REMEMBER- Check Out the SPECIAL OPPORTUNITY below. It's for a LIMITED TIME. It's a No Brainer in Our View.

Yesterday we got MSFT & GOOGL Earnings (10% of index) and they were a mixed bag AND in fact the good one (MSFT) has joined the disappointing one (GOOGL) in the soup. Today, we'll get EARNINGS from META. With the results of GOOGL, traders are frontrunning the report by fading META. These companies are the backbone of the indexes (AAPL META AMZN MSFT GOOGL) so TIMBER if they miss badly

We have told EVERYONE who would listen that HIGH RATES are GRAVITY to Asset Prices and Sept & Oct has provided proof of concept. We realize that EVERYONE is looking for a NOV-DEC rally. In August, we were looking for HIGH Vol in SEPT & OCT and we got it in spades. RIGHT NOW- we see the S&P & QQQ & IWM all holding on for dear life. Being LONG things that are holding on for dear life is NOT our game

RIGHT NOW- we have been rolling BIG money in T-Bills for 24 months. If you have been holding Bonds, you can join the banks in the big loss conga line and stay on the Atkins diet for longevity so you can hold to maturity:). On Stocks, turning points and used short dated options.

RIGHT NOW- is this darkest before dawn? Who knows? There is a plethora of things that could break bad ( wars, budgets, inflation, valuations) We have hit 8%+ mortgages and 28 year lows in sales contracts. We heard in MARCH the banks will have to go recognize losses (BAC ect)

OUR VIEW. The S&P 500 has MAJOR SUPPORT 4205 and 4170. WE'RE HERE! These averages are RISING which is good. How is it RESOLVED? We bet that there are 3 reasonable outcomes. #1 We break down UNDER and tank #2 We HOLD & REBOUND #3 We BREAK and then REBOUND

We suggest you take advantage of The Option Professor's SPECIAL OPPORTUNITY. It's Helped Many Investors & Traders with Market Direction

At OUR Discretion, NO UPFRONT COST. We Email a LINK to You on OUR Indicators. We have an ONLINE Meeting with You to EXPLAIN Our Views

At the ONLINE Meeting, We EXPLAIN the Indicators, Options, REVIEW Your Past & Present ideas and SHOW How OUR Indicators May Help You.

You Pay NOTHING Upfront. AFTER you have received the information AND had the ONLINE meeting, YOU decide if you got value then a LOW fee WHO WOULD GIVE AWAY INFO & TIME? We do. WHY? #1 We KNOW we have VALUE #2 People are Honest #3. It's A One Time LOW Cost

You paid too much in the past. It's time to do this. We asked you to do this in AUGUST before the volatility. We ask now before Nov-Dec & 2024 EMAIL US by hitting REPLY or at [optionprofessor@gmail.com](mailto:optionprofessor@gmail.com). Provide Contact Information. I'll Call You Directly and We'll Talk. It's About Time. DECADES of Knowledge. Traded THOUSANDS of Options & MILLIONS in Stock. We Believe We Can Help You Help Yourself.

Looking Forward To Providing This SPECIAL OPPORTUNITY to You.

All the Best,

Jim
